Sunday June 02, 2019

4-6 PM

*At the Alberton
Millennium Park
Pavilion*

**Bring your own lawn chair*

**Presented by the
Alberton Rec.
Committee**

Pancakes – Sausages – Juice – Coffee

Come out for Games, Basketball, Volleyball, Bubbles and more!

HOW TO GET YOUR BURN PERMIT ONLINE

Step-by-Step Instructions for the New User (also posted on website)

- Go to alberton.burnpermits.com in your browser (Internet Explorer, Safari, whatever you use).
 - Click "Create account".
 - Enter your email address. Your fire permit will be sent to this address. If you don't have an email address, we can print your permit off for you during regular business hours. Click "Ok".
 - Select the permit type you wish to purchase.
 - Enter your name. Enter your phone number.
 - Open the drop-down menu and choose the appropriate selection to indicate whether you own the property where burning will be done or whether you rent it.
 - Enter the fire number and road name for the property where burning will take place. If the property is vacant land and doesn't have a fire number, enter a physical description (such as "Lot 33, Roddick, Highway 602" or "NE 1/4 Section 34, Crozier, Hill Road", or similar).
 - Create your password -- any password you want. Click "Continue".
 - Zoom in and out on the +/- sign at the bottom righthand side of the page. Find the burning address on the map and drag the marker to your burn location. (This can be a bit tricky since the marker is blinking). Click "Continue".
 - You must read and check all "Agree" boxes in order to proceed to the next page. Once that's done, click "Continue".
 - Sign with your mouse. Yes, this may feel or look awkward that's okay if it's not perfect.
 - Choose the notification method to contact you in case a fire ban or a Restricted Fire Zone is declared. Click "Continue".
 - Choose your payment method. Your options are to pay online or pay later. If you choose "pay later" you must come into the office to pay the permit fee. Your fire permit will not be in effect until the permit fee is paid in full.
 - You will receive your permit by email so be sure to check your email. The permit will be sent pretty much instantly.
- That's all there is to it!** If you're not sure about doing it on your own, stop by the Municipal Office and we will help guide you through.

Speed Limits on Municipal

Roads to be Considered at

July 10th Meeting

Following a request to Council that from a resident, Council has decided to invite public input at its July 10th regular Council meeting on whether the speed limit on municipal roads should be lowered to 60 kph. Right now, the speed limit is 80 kph by default since no signs are posted but many people drive faster, which causes concern for people walking, biking and children at play.

Any decision to change the speed limit will have no effect on Highway 11-71, Highway 602, and Highways 611 North and South as they are under MTO jurisdiction.

More Burn Permit Info

A burning permit is good for the calendar year until December 31st in the year it is purchased.

Each time you wish to burn, you must call 807-927-2282 to reactivate your permit before your burn.

No matter how many times you reactivate your permit during the calendar year, there is no extra charge.

And (bonus!) when you renew your permit the next year, it'll use the information you've already put into the system so renewal will be a breeze!

Former Reeve

Mike

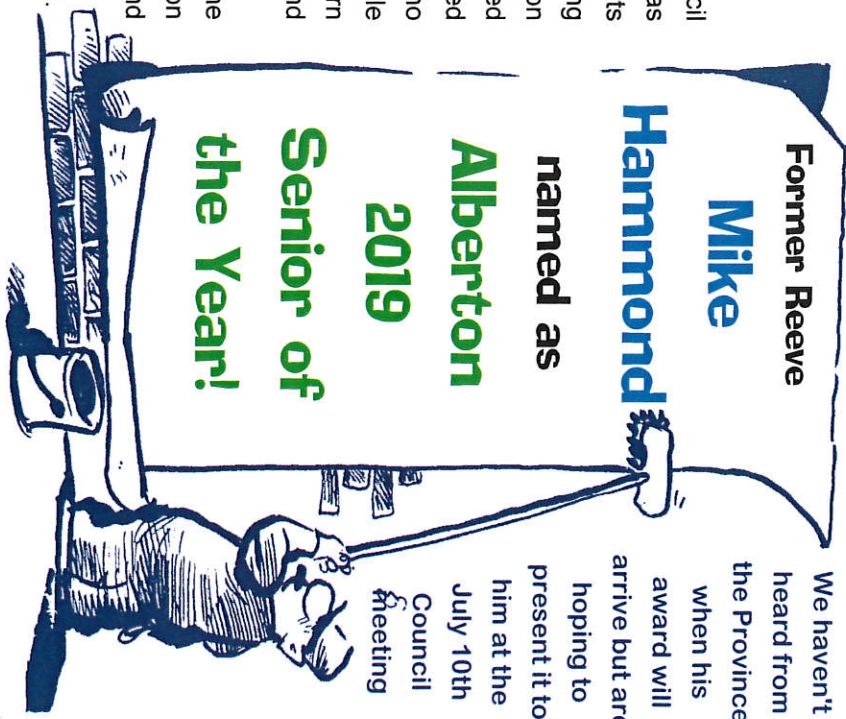

Hammond

named as

Alberton

2019

**Senior of
the Year!**

We haven't heard from the Province when his award will arrive but are hoping to present it to him at the July 10th Council Meeting

FINAL TAX BILLS TO BE MAILED OUT IN JUNE

Council will formally adopt the Budget at its June 12th regular meeting. Final tax bills will be mailed out shortly after. Taxes are due on July 31st.

If you pay your taxes by email money transfer, please don't forget to provide us with the password so your payment can be received and deposited.
