

With the Winter season upon us, this is a friendly reminder to all residents to please avoid parking on the road allowance. This will ensure snowplow operators have enough room to clear the snow and turn around in a safe and timely manner.

The speed limit in Alberton is 80 km per hour, unless otherwise posted.

Please slow down for your neighbours. Pedestrians should be extra cautious when walking on the road after sunset. It is good practice to wear highly visible clothing with reflective material on yourself and your pets when walking after dark.

Show your support for our Volunteer Fire Department and the Kiwanis Club at the Santa Claus Parade happening on December 2nd.

This year, a special “Sensory Sensitive Section” has been added to the route. Enjoy the parade free from flashing lights, sirens and loud noises between Reid and Butler Avenues. For those who prefer a traditional parade experience with all the lights and sounds, head further downtown towards the square!
