Calling Local Historians...
Do you have any historical items, maps, or pictures relevant to Alberton, Crozier, or Roddick Townships? Would you like to share the history with the community? We want to hear from you! With your permission, we will scan or take a picture of your historical item to display in the Township office and on our website. If you would like to participate, please email pictures to albertonadmin@alberton.ca, or stop by the office with your items!
Alberton was incorporated in 1891, so the older, the better!

How to make a Home Fire Escape Plan

FIRE PREVENTION WEEK™

Visit Sparky.org for more activities!

- Draw a map of your home. Show all doors and windows.
- Visit each room. Find two ways out.
- All windows and doors open easily. You should be able to use them to get outside.
- Make sure your home has smoke alarms. Push the test button to make sure each alarm is working.
- Pick an outside meeting place a safe distance from your home where everyone should meet.
- The house or building number can be seen from the street.
- Make sure your plan meets the needs of all your family members, including those with sensory or physical disabilities.
- Everyone in the home should know the fire department's emergency number and how to call once they are safely outside.
- Practice your home fire drill at least twice a year with everyone in the household, including guests. Practice at least once during the day and at night.
