REASONS AND CONDITIONS OF APPROVAL

File Number: C2025-01
Applicant: Mel DeGagne Agent/Owner for Nor-Fab building Components Ltd.
Property: Part Section 23 as in SLT68443 & SLT68156, except Parts 1,2,3 and 4 48R4365; S/T A13594, SLT99685, RD27736; Alberton, PIN 56021-0728
as currently contained in Roll #59-11-000-000-27700-0000
Date of Decision: April 22, 2025

REASONS FOR DECISION:

The reasons for this decision are as follows:

1. The application supports and maintains the intent of development policy of the *Official Plan and Zoning By-Law*;
2. Appropriate conditions will be imposed to address deficiencies or noncompliant issues of the severed and retained lots with applicable zoning regulations;
3. The application supports the goals and objectives of the Township's *Strategic Plan*;
4. No inconsistencies have been identified with the *Provincial Policy Statement*;
5. No objections to the application have been raised by the public, either prior to or at the public meeting;
6. No objections to the application have been raised by any entity to whom the application was circulated;

CONDITIONS OF APPROVAL:

Approval of Consent (File C2025-01) is provisional upon the following conditions being fulfilled within two years from the date of the Notice of Decision, as required by Section 53(41) of the Planning Act. These conditions must be fulfilled prior to a Certificate of Official endorsement of consent on any instrument for the lands to be severed.

Provisional approval relates to the creation of one severed lot having frontage of approximately 113 metres and an area of approximately 12.84 acres and one retained lot having frontage of approximately 467.84 metres and an area of approximately 57.49 acres in size.

1. That the applicant meets all the requirements, financial or otherwise of the Municipality, with any monies owing to the Township of Alberton for municipal taxes or otherwise are paid in full to date of consent endorsement.
2. It is acknowledged that the applicant has already provided the Township of Alberton with a Consent Report from the Northwestern Health Unit to confirm adequate space for a septic system to be installed/replaced when needed on the severed lot.
3. That the applicant meets all requirements of the Ministry of Transportation (MTO) as set out in MTO comment letter dated April 17, 2025, attached herewith; and itemized below:
 - i. The retained portion of PIN 56021-10073 will require an easement for right of passage in perpetuity over PIN 56021-10728 to the unopened road allowance known as Watson Road. Where the easement intersects the road allowance, the easement must be set back at least 45 metres from the property line abutting the highway right of way and must be 5 metres wide.
 - ii. A draft easement and draft plan must be submitted to MTO for review prior to registering them on title.

- iii. All accesses are to be obtained off Watson Road for the newly created three parcels and an easement is registered on title for PIN 56021-10073 to directly access Watson Road. No direct access to Highway 11 will be granted by MTO in the future for any of the properties.
 - iv. One commercial entrance permit application will be required for all parties. One commercial entrance permit application is to be submitted at www.hcms.mto.gov.on.ca for all property owners that use the unopened road allowance known as Watson Road. The property owner submitting the application will also need to submit written authorization from each property owner to make application on their behalf. Written permission from the Township of Alberton is to be obtained for each property owner accessing Watson Road and must be submitted within the application along with proof of property easement.
4. The Applicant or their Solicitor provides to the Secretary for the Committee of Adjustment for the Township of Alberton: Two (2) white prints of a registered deposited reference plan of survey and one (1) electronic copy, showing the subject land substantially conforms with the application submitted, and which shows the dimensions and areas of each part shown on the plan; with a draft of the plan to be provided to the Township of Alberton for review prior to it being deposited, or a Letter of Exemption provided by the Land Registrar;
5. The Secretary for the Committee of Adjustment must be provided a letter from the applicant's solicitor confirming the legal description of the subject lands, sufficient for registration purposes. Upon being satisfied, the Secretary shall provide a Certificate of Official to the applicant in accordance with Section 53(42) of the Planning Act, R.S.O. 1990, as amended.
 - (i) where the severed lot approved in respect of this Application for Consent to Sever is identified as being comprised of more than one part on a reference plan or plans, all such parts which describe the entirety of the lot approved, and exceptions thereto, shall be registered such that same are contained in one PIN number.
 - (ii) where any single part described on a reference plan does not constitute the entirety of a lot approved through the consent process, including a retained lot, registration of such part or parts into separate PIN numbers is prohibited, and each approved lot, whether severed or retained, shall be contained in only one PIN number.
6. The Secretary for the Committee of Adjustment must be provided a copy of the draft easement and draft plan prior to registering them on title.
7. The Applicant or their Solicitor, provide the Township of Alberton with a copy of updated parcel registers for the severed lot and for the retained lot, after all transfer documentation related to this application is registered and recorded on such parcel registers.

The final date for satisfying the above conditions is April 22, 2027.

The following is included for your reference and information:

- Owners can apply for Entrance Permits for Provincial roadways to the Ministry of Transportation, Highway Corridor Management at: <https://www.hcms.mto.gov.on.ca>
- Please refer to Ontario Regulation 903 of the Wells Regulation made under the Ontario Water Resources Act, in the event that there are any abandoned wells on the property and the technical bulletins for person(s) who own a water supply well.
