UPCOMING ROAD RESURFACING

Road resurfacing will be taking place throughout Alberton beginning the first week of September. Roads to be surfaced this year include: Bone Road, Stewart Road, Ducharme Road, and Whitmore Road. When passing workers, please pass slowly & give them space to work safely.

CAUTION: Roads being resurfaced will have loose gravel for a few weeks before fully compacting. To prevent damage to vehicles and injuries to pedestrians, please reduce speed and use extra caution when travelling on loose gravel.
